

Saint Patrick Memorial Fund

The Saint Patrick Memorial Fund was established to offer a way for individuals to honor the memory of departed friends or loved ones. The memorial serves as a meaningful tribute, while helping the many students at Saint Patrick School. By participating in the Memorial Fund program, you offer an expression of care and concern that will benefit you in two ways. First, you will offer a prompt expression of sympathy. Second, you will support a comprehensive educational program that helps our youth prepare for tomorrow.

If you wish to make a memorial donation then you may use this form. Each gift is acknowledged in several ways. You will receive a card, while the family of the deceased is sent a card notifying them of your thoughtfulness (The amount of the gift is never disclosed to the family.). Furthermore, future issues of *Spirit* will list memorials from the previous four months. Finally, memorials will be especially remembered in the daily prayers of the students and teachers of Saint Patrick School and at a special memorial Mass that is celebrated annually.
