

Saint Patrick Spirit Fund

The Saint Patrick Spirit Fund - the annual giving program - is the primary vehicle by which alumni, families, and friends help to finance the school's operating budget, which far exceeds the revenues generated by tuition. If we ask students and parents to bear the full weight of these costs in the form of tuition and fees, then an education from Saint Patrick's will become unaffordable to more and more families. By participating in the Saint Patrick Spirit Fund, alumni, families, and friends have an opportunity to allow Saint Patrick's to achieve its mission of providing students an excellent and affordable education in the Catholic tradition. We invite all members of the Saint Patrick community to invest in our future by making a gift to the Saint Patrick School Spirit Fund.
